Stimulus A

Jamie

I've got my headphones on and it's on shuffle and it's playing this well slow song. This slow cheesy song that my mum likes but turned up well loud. And I'm standing there, in the middle of the street. Just watching it all. Watching it all play out.

And the music is slow and everything looks slow too you know? I know it sounds corny but it's true. It's real. It's like playing out like slow motion, and out the corner of my eye I can see the tube sign like a title caption at the start of a film yeah. Like the start or maybe more like at the end. Just hovering there above everything big bright white letters.

And I can see a smashed window.

And I watch kids cycling away from the bike shop on their new wheels.

And I watch more police arriving. Lines and lines of them.

And I'm thinking:

It's not about just wanting a new bike.
